### Foreword

The attempt of District Hospital, Bajhang to publish “District Annual Report – 2078/079” is appreciable. It is a comprehensive document of the work carried out; Hospital Provided Services analysis of the district situation, Morbidity status, resources, logistics and Lesson learned in past. The report includes achievement of all major Hospital indicators. The indicators coverage is shown in comparative charts of the last three years, which shows how the trend is going. Reviewing the hospital report, it is clear that the performance of the District Hospital Bajhang in curative health service delivery has improved remarkably. This has been made possible through the hard work and commitment of the whole District team. I wish them every success in the coming years and I am sure their performance will be even better.

This report gives a precise overview of all the Curative health service coverage in the district, hospital indicators, strengths, constraints and issues in the performance of Hospital. It focuses on emerging hospital issues in the district like the high Safe abortion services, high teen age pregnancy. This report also includes how the District Hospital supported other organizations and stake holders in hospital sector. The report comprises of appropriate data tables, graphs & charts, which makes the report easy to read and the latest data is easily available.

I would like to express my best wishes to Dr Nab Raj Joshi (Jaisi) as a Medical Superintendent District Hospital, Bajhang and Mr Ganga Prasad Joshi who is responsible with Medical recorder section , & whole District Hospital team for their invaluable contribution in preparing such a good report and encourage them to keep up the good work in the coming years.

**ACKNOWLEDGEMENT**

This report is the District Report of District Hospital, Bajhang for the fiscal year 2078/079. As per the very concept of decentralization and bottom up planning, like other districts of the country, Bajhang Hospital had also organized Annual District Review Workshop of FY 2078/079 and planning workshop for the FY 2079/080. This Annual Report of Hospital is an outcome of this workshop held at HO Bajhang. This report of Hospital provides a summary nutshell of the FY 2078/079 including the problems encountered, constraints, remedial actions to be taken and reasonable recommendations for the coming years to come according to the guidelines provided by the centre and the region. Besides we have tried to include other required information of the district as well.

I hope this report will be helpful for the district Hospital staff and all other health workers of this Hospital in order to improve the quality health service delivery. Additionally, this report will be useful to higher and local authorities to deal with local problems and find out the ways of solution to support the district.

I would like to express my thanks to all the district hospital Staff, health workers, support staffs, Hospital Development committees, stake holder and support organizations whose collective efforts and hard work has made this report possible. I would also like to take this opportunity to express my gratitude to the Ministry of Social Development, Kailai, and the provence Health Directorate. Sudurpashchim Provence Doti for their valuable guidance and support.

I have to solely thank to 6<sup>th</sup> officer Mr. Ganga Prasad Joshi who is responsible with Hopital strengthening as well as Medical Report who did a great job in compiling and analyzing the information, and producing this report and Hospital indoor incharge who did a great support & hearty thanks for NSI for maintain and provide the quality health service in Hospital.

Finally, I would like to extend my appreciation and thanks to Hospital Management Committee as well the whole team of District Hospital Team , Bajhang for their meticulous and hard work for their untiring effort to provide quality health services at community level.
